RELIANCE SBI CARD CONTACTLESS FAQs

1. What is Reliance SBI Contactless Credit Card?

Ans: Reliance SBI Card powered by RuPay/Mastercard contactless technology is a fast and convenient way to pay for every day purchases. It is a secure, contactless chip technology designed to help you spend less time at the cash register and give you the freedom to do the things that matter most to you.

2. How does the Reliance SBI Contactless Credit Card work?

Ans: Step 1: Look for the RuPay/Mastercard contactless technology mark and contactless logo at the point of sale.

Step 2: The cashier enters your purchase amount into the terminal. This amount will be displayed on the contactless reader.

Step 3: Hold your card over the reader at close range (less than 4 cm from where the contactless logo appears).

Step 4: Four green indicator lights or a beep sound will indicate when the transaction is complete. A message will also be displayed on the screen indicating the transaction is complete. No PIN is required.

Please note that payment through contactless mode is allowed for a maximum of ₹5000 for a single transaction.

3. What are the benefits?

Ans: Contactless payment functionality powered by RuPay/Mastercard is specially designed for you for speed, convenience and security. During a contactless transaction the card never leaves your hand. This greatly reduces the risk of card loss and fraud through counterfeit/ skimming. A RuPay/Mastercard contactless card has its own, unique, built-in, secret key, which is used to generate a unique code for every RuPay/Mastercard contactless transaction, thus making it more secure.

There's no dipping, swiping or fumbling for cash. You're ready to go in just a few seconds. Ideal for places like fast-food joints, petrol stations, movie theatre etc.

You don't need to look for cash/coins for small ticket everyday purchases. It is also easier to keep track of these expenses.

4. Is there a limit for a contactless transaction amount? Can I set my own limit?

Ans: Payment through the contactless mode is allowed for a limit of maximum ₹5000 for a single transaction. For a contactless transaction PIN is not required.

This limit is common for all customers and setting up of individual limit is not possible. Any transaction amount more than ₹5000 has to be carried out through Look Wave Go a contact transaction (Dip or Swipe) and entering the PIN. You can also choose to do a contact transaction (Dip or Swipe) with PIN for transactions amount below ₹5000.

5. Where can I use my Reliance SBI Contactless Credit Card?

Ans: You can look for the Universal Contactless symbol at the POS machine at merchant outlets. Also, please visit sbicard.com for details of merchants enabled for RuPay/Mastercard contactless payment acceptance.

6. Can I use my Reliance SBI Contactless Credit Card at other merchants (not enabled or contactless payment acceptance) as well?

Ans: Yes, for the merchants not enabled for contactless payment acceptance, you can use this card for a normal dip or swipe transaction.

7. Could I be debited twice if I have more than one contactless card?

Ans: No, as contactless readers will only communicate with one card at a time. If the shop's reader finds more than one contactless card in your wallet or purse, you will be asked to select one card to pay.

8. Could I unknowingly have made a purchase if I walk past the reader?

Ans: No. Your card has to be waved within 4 cm of the card reader for more than half a second and the retailer must have first entered the amount for you to approve. Terminals can only process one payment transaction at a time, therefore reducing transaction errors.

9. Is there any difference in the process for ATM and Internet transactions for the Reliance SBI Card?

Ans: There is no difference in transaction process for ATM or any Card not present transactions including internet transactions. For ATM transactions you need to enter the PIN and for Internet transaction you need to enter your 3D secure PIN or OTP.

10. What happens if my contactless card is stolen – can it be misused?

Ans: Immediately report the loss of your Credit Card to SBI Card to prevent any misuse. Please call our helpline or visit SBI Card App / Website to block your credit card.

Safeguards are in place to mitigate misuse of lost or stolen card by fraudster. The limit for Contactless Card transaction without entering the PIN is ₹5,000, above which the transaction needs PIN for authorization. Please note that your maximum liability on any given date will be limited to available credit limit on your card.

WHAT IS CREDIT INFORMATION BUREAU INDIA LIMITED (CIBIL)?

While you are empowered to use your credit card the way you wish to, it is best to use it responsibly. As credit card mismanagement is on the rise various financial institutions in the country have set up CIBIL, a body to monitor credit usage and safeguard the interests of member banks and financial institutions. Here is how an ideal credit cycle works:

WHAT IS A CREDIT INFORMATION REPORT?

A Credit Information Report (CIR) is a factual record of a borrower's credit payment history compiled from information received from different credit grantors. Its purpose is to help Banks & Financial Institutions make informed lending decisions - quickly and objectively.

HOW DOES THE CREDIT INFORMATION REPORT IMPACT ME?

When you approach the Banks & Financial Institutions for credit, your application will be evaluated on the basis of your past payment history, existing credit lines and other factors such as income and security. A good past payment history may lead to credit being granted faster and on better terms.

On the other hand, a poor past payment record indicate past delinquency and can lead to denial of credit or extremely expensive credit.

Therefore prudent credit management and financial discipline is a must to ensure a good credit history for enabling you for smooth and faster access to affordable credit in the future.

HOW DO I IMPROVE MY CREDIT RECORD?

- Make at least the minimum amount due on time each month. On time payments will have the most positive significant impact on your credit record.
- Maintain affordable & reasonable levels of credit
- Limit the number of credit cards that you hold. Maintaining a large number of cards can hurt your credit history.
- Do not use your credit card such that your outstanding is very close to your credit limit as this can adversely affect your credit rating.

HOW CAN YOU MAINTAIN A GOOD CREDIT HISTORY?

There are a number of things you can do to build and maintain a good credit history. Here are some important do's and don'ts:

DO'S

- Make your credit card payments on time
- Pay off your “Minimum Amount Due” on your card every month
- Contact your creditors if you are having trouble making payments

- Read the statements and other material you receive from your credit card company carefully
- Deal with companies you know and trust
- Pay attention to late payments, calls or letters from credit agencies, and denied or revoked credit. These are all signs that your credit history may be in jeopardy!

DON'TS

- Do not pay late
- Do not sign a credit contract until you read and understand it
- Don't go over the credit limit on your credit card
- Don't wait to report any unauthorized transactions on your account
- Don't open new credit accounts for the purpose of debt consolidation without closing existing accounts
- Do not miss reviewing your monthly statements
- Do not close credit cards in an improper manner, it can hurt your credit score

SBICPSL is not obliged to make any independent verification with regard to order details provided by the Cardholder and shall be entitled to rely on the details submitted by the Cardholder on the Internet.
- 3.8 Some transactions may attract a service charge, in addition to the amount of the Charge, at certain Merchant Establishments. SBICPSL may also levy charges for collection of cheques, maintenance of the Card Accounts, and for other services that may be rendered to the Cardholder from time to time.
- 3.9 The Cardholder must sign and collect the Charge slip, Cash Advance Slip or Mail Order Coupon at the time of incurring the Charge. Failure to sign a charge slip will not avoid liability for the Charges. The Cardholder must retain his/her own copy of the charge slips. Copies of charge slips will not normally be provided by SBICPSL. However, at its discretion, and upon customer request, SBICPSL may provide copies thereof subject to an additional charge.
- 3.10 In relation to Charges on account of mail order or telephone or electronic commerce (e.g. on the Internet) where a charge slip or voucher may not be available for signature, the Cardholder accepts that in the event of any dispute regarding the authenticity or validity of such a Charge, the Cardholder will first clear his/her Outstanding on the Card and then endeavour to resolve the dispute directly with the concerned Merchant Establishment.
- 3.11 Any charge slip or other payment requisition (electronic or otherwise) received from a Merchant Establishment or any intermediary by SBICPSL for payment shall be conclusive proof that the amount recorded on such charge slip or other requisition was properly incurred by the use of the Card by the Cardholder. Should the Cardholder choose to disagree with a Charge indicated in the monthly statement of account, the same should be communicated to SBICPSL within 10 (ten) days of the statement date, failing which it would be construed that all Charges and the monthly statement of account are entirely in order.
- 3.12 You agree that an electronic record or printout of an electronic record or a copy produced from a microfilm or a scanned /digital image of any document or Charge relating to your Card / Card Account with SBICPSL or produced from data received by SBICPSL electronically from the Merchant Establishment or from you or any intermediary, shall be conclusive evidence of that document or Charge for any purpose.
- 3.13 SBICPSL will not be responsible if any Merchant Establishment refuses to accept the Card or is unable to transact on the Card or levies a surcharge on the Card. However, the Cardholder should notify SBICPSL of this complaint. SBICPSL is not responsible or liable for any defect or deficiency in respect of goods and services charged to the Card. Any dispute should be settled directly by the Cardholder with the Merchant Establishment and failure to do so will not relieve the Cardholder of any obligations to SBICPSL. The existence of a claim or dispute shall not relieve the Cardholder of his/her obligation to pay all Charges and the Cardholder agrees to pay promptly such Charges, notwithstanding any dispute or claim whatsoever. No claim by the Cardholder against a Merchant Establishment will be the subject of a set-off or counterclaim against SBICPSL.
- 3.14 SBICPSL may, at its sole discretion, permit from time to time, its Cardholder to transfer his/her Outstanding balances ("Balance Transfer/s") on other credit cards and credit facilities availed by him /

her from other companies and financial institutions. Balance Transfers will not be accepted from overdue status accounts or where the credit limit has been exceeded or which are greater than the Outstanding balances on such other credit cards and will be limited to such percentage of the available credit limit on the Card as may be determined by SBICPSL. Balance Transfer requests will also not be accepted from other SBI Card accounts. By choosing to avail of the Balance Transfer facility, the Cardholder authorizes SBICPSL to make payments to companies / financial institutions so designated. SBICPSL, however, reserves its absolute right to refuse any Balance Transfer request. The Cardholder must continue to meet his / her obligations in respect of his / her existing credit facilities, balances of which are the subject of Transfer hereunder, until he/she has received a written intimation from SBICPSL that the Balance Transfer request has been accepted and payments have been made to the companies/financial institutions so designated. SBICPSL will not be liable for any new charges, overdue payments or interests incurred on other credit cards/facilities. SBICPSL may, in its discretion, stipulate additional terms and conditions from time to time.

- 3.15 The Cardholder acknowledges that the privileges, benefits and facilities attached to the Card may be suspended/ withdrawn by SBICPSL at its discretion at any time without liability to the Cardholder. Termination of this Cardholder Agreement shall result automatically in the termination of such privileges, benefits and facilities. SBICPSL shall not be liable in any way to the Cardholder for any defect or deficiency in any privileges, benefits or facilities provided by third party suppliers or Merchant Establishments.
- 3.16 A purchase and a cancellation of goods/services, e.g. air/rail tickets, are two separate transactions. The Cardholder must pay for the purchase transaction as it appears on the statement to avoid incurring finance charges or fees. Credit of refund on account of cancellation will be made to the Card Account (less cancellation charges) only when received from the Merchant Establishment. No cash refund will be given to the Cardholder. If a credit is not posted to the Card Account within a reasonable time, the Cardholder must notify SBICPSL within 30 (thirty) days of cancellation.
- 3.17 The onus of complying with the foreign exchange control / management regulations, baggage rules, EXIM Policy and other applicable laws, as amended from time to time, is solely that of the Cardholder and the Cardholder shall indemnify and hold harmless SBICPSL from any consequence, loss, damage, expense or any other financial charge that SBICPSL may incur and/or suffer on account of the Cardholder's contravention of any applicable law and regulation. Non-compliance with the regulations shall not be a ground for the Cardholder to delay or refuse the amounts payable to SBICPSL. In case the Card is suspended/ cancelled, whether on account of non-compliance with exchange control/management regulations or otherwise, SBICPSL will not be responsible for any attempted usage of the Card, whether in India or abroad, resulting in the Card being dishonoured and the concerned Merchant Establishment would be entitled to pick up the Card on presentation.

The total amount that will be available for cash withdrawal at any point in time will be governed by cash limits set up periodically which will be disclosed to the Cardholder in the monthly statement of account. A cash advance fee will be levied on each such Charge and will be billed to the Cardholder.

5. INSURANCE BENEFITS

- 5.1 Insurance is optional and a subject matter of solicitation. In the event any insurance cover or benefit of any insurance cover is made available to the Cardholder by an insurance company at the request of SBICPSL, the Cardholder specifically acknowledges that SBICPSL will not be liable in any manner whatsoever and that the insurance company will be solely liable for all claims thereunder. The Cardholder shall not hold SBICPSL responsible for any matter arising out of or in connection with such insurance cover, whether for or in respect of any deficiency or defect in such insurance cover. Recovery or payment of compensation, processing or settlement of claims or any other matter in relation to the insurance cover shall be addressed to and resolved directly by the Cardholder with the insurance company.
- 5.2 The Cardholder further acknowledges that the insurance cover so provided will be available to the Cardholder only as per the terms of the relevant insurance policy in force and only so long as the Card Account is maintained in good standing. On the Card being suspended or cancelled for whatever reason, the benefit of such insurance cover shall automatically and ipso facto cease to be available from the date of suspension/cancellation of the Card Account.

The interest-free period for a purchase (and any related debited charge) in any statement period will apply if the Outstanding balance on the Card Account for the previous statement period (if any) is paid in full by its due date. If the Outstanding balance on the Card Account is not paid in full by its due date, a finance charge will be levied on any new purchase (and any related debited charge) from the day on which the purchase (and any related debited charge) is debited to the Card Account and on the Outstanding account balance on the Card Account from the first day of the last statement period. SBICPSL will levy a finance charge on Cash Advance balances on a daily basis by applying its current daily percentage rate to the amount of the Cash Advance balance at the end of each day.
- (c) The finance charge as above, will continue to be payable after termination of this Agreement or closure of the Card Account till Outstanding on the Card Account is cleared in full.

6.9 SMA & NPA

- Special Mention Accounts ('SMA'):

In furtherance to Regulatory requirements, SBI Card is required to identify incipient stress in the account by creating a sub-asset category viz. 'Special Mention Accounts ('SMA')' with the three sub-categories as given in the table below.

Credit cards are treated as "Loans other than revolving facilities".

SMA Sub-categories	Basis for classification [Principal or interest payment or any other amount wholly or partly overdue]
SMA – 0	Upto 30 days from Payment Due Date ('PDD').
SMA – 1	More than 30 days & upto 60 days from PDD
SMA – 2	More than 60 days & upto 90 days from PDD

Example regarding classification of SMA:

If Payment Due Date ('PDD') of a Credit Card account is 31st March 2021, and 'Minimum Amount Due ('MAD') is not received before this date then after the due date, the account will be mentioned as SMA – 0.

If the account continues to remain overdue beyond 30 days from PDD i.e., beyond 30th April 2021 then this account shall get tagged as SMA-1.

Similarly, if the account continues to remain overdue, beyond 60 days from PDD i.e., beyond 30th May 2021 then this account shall get tagged as SMA – 2.

- Non-Performing Asset ('NPA'):

A credit card account will be treated as non-performing asset ('NPA') if the Minimum Amount Due, as mentioned in the statement, is not paid fully within ninety (90) days from the PDD mentioned in the statement. Further, any account where a settlement or restructuring arrangement has been availed will be classified as NPA. An account continues to be classified as NPA till the entire arrears of interest and principal are paid. Settlement and restructured accounts do not qualify for an upgrade. Finally, if any customer has even one credit card with SBICard tagged as NPA, all cards of the customer will be classified as NPA.

Example regarding classification of an account as NPA:

If Payment Due Date ('PDD') of a Credit Card account is 31st March 2021, and Minimum Amount Due as mentioned in the statement has not been fully paid by the customer within a period of 90 days from the PDD i.e., till 29th June 2021, then the lender shall consider the credit card account as NPA.

- 6.10 "Notwithstanding anything inconsistent contained in any other clause of the Cardholder Agreement/ Most Important Terms & Conditions ("MITC"), it is further stipulated that if the cardholder does not pay the minimum amount due for a period of 180 days, then the credit card services being provided by SBI Card under this Agreement shall stand terminated, however the Cardholder shall continue to be liable for any unpaid sum as on the 180th day plus any finance charges / delayed payment interest that SBI Card may, at its sole discretion and option and in accordance to its various internal policies and procedures, levy for the period post 180 days after the payment due date."
